# OCEAN WALK

A beautiful and enticing destination exists on the east coast of Florida that your whole family will love ...

Ocean Walk Resort is an oceanfront masterpiece of Art Deco design and style, located on Daytona's only traffic free, family friendly beach. With luxurious condominium accommodations, unparalleled amenities and a host of entertainment options just steps from your front door, staying at Ocean Walk Resort is an unforgettable experience.

Explore a whole new style of vacation ... where comfort and convenience meet excitement and entertainment in a spectacular full service resort setting.

Welcome to Ocean Walk Resort.

# UNPARALLELED

Our 1, 2 and 3 bedroom accommodations have full kitchens, spacious living rooms and in-room washers and dryers ... many have jacuzzi tubs in the master bedroom. Most suites offer spectacular ocean views, while some standard units offer beautiful panoramic city and river views. For a special treat, enjoy our 3 bedroom, 2-story penthouse.

Choose the luxurious condominium comfort and convenience of Ocean Walk Resort for your next and best Florida vacation!

# EXCITEMENT

Excitement abounds with 3 outdoor and 2 indoor pools, a 250-foot lazy river, an interactive children's aquatic playground, waterslide and jacuzzis, plus indoor and outdoor putting greens, a game room and computer center, a huge exercise center, and daily activities for all ages. So much to do, you'd never have to leave the Resort. But you might want to, because just next door are the Ocean Walk Shoppes with a 10 screen movie theater

and a host of great dining options like the Bubba Gump Shrimp Co. and Johnny Rockets, plus terrific shopping and nightlife. Across the street is the new Daytona Lagoon Water Park. And, the Daytona Beach area is home to numerous championship golf courses plus plenty of NASCAR thrills. Orlando's theme parks and the Kennedy Space Center are less than an hour away.
